LANDSCAPE ART

Landscape art is the depiction in art of landscapes, natural scenery such as mountains, valleys, trees, rivers, and forests, and especially art where the main subject is a wide view, with its elements arranged into a coherent composition.

The image shows the Emaze software interface. At the top, there's a header with the 'emaze' logo, a home icon, and a lightbulb icon. To the right of the header are the words 'EDU' and a question mark. Below the header is a toolbar with icons for 'Text', 'Image', 'Media', 'Shape', and 'Widget'. To the right of the toolbar are icons for 'Undo', 'Redo', 'Copy', 'Paste', 'Delete', 'Save', 'Download', 'Share', and 'View'. On the left side, there's a sidebar with a 'GALLERY' tab and an 'IMPORT PPT OR PDF' button. Below these are several slide thumbnails: 'LANDSCAPE ART', 'BACKGROUND COLOR SLIDE', 'HD BACKGROUND IMAGE SLIDE', and 'PRIVATE ART COLLECTIONS'. The 'PRIVATE ART COLLECTIONS' thumbnail is highlighted with a red box and a red circle with the number '2'. A red arrow with a red circle and the number '1' points to the 'Add' button (a yellow circle with a plus sign) in the top-left corner of the main workspace. The main workspace itself has a light gray background with the title 'PRIVATE ART COLLECTIONS' in large black letters. Below the title are six framed images of various artworks, including a street scene, a woman in a yellow dress, sunflowers, a tree with autumn leaves, a field of red poppies, and a still life with oranges.

4. Write your own URL to share in full screen (without ads)

The image shows a sequence of two screenshots from the Emaze website, illustrating the process of publishing a virtual exhibition.

First Screenshot (PUBLISH modal): The modal is titled "PUBLISH". It offers two options for publishing:

- Publish to emaze.me - Free website:** This option is selected. It includes a text input field where "emaze.me/" is entered, followed by a dropdown menu showing "essaiprofs". A red arrow points to this input field.
- Existing domain:** This option is unselected. It shows "emaze.me/essaiprofs" and "essaiprofs".
- Publish to an internet domain you own:** This option is unselected. It includes a text input field for "Your domain".

A red arrow points to the yellow "PUBLISH" button at the bottom of the modal.

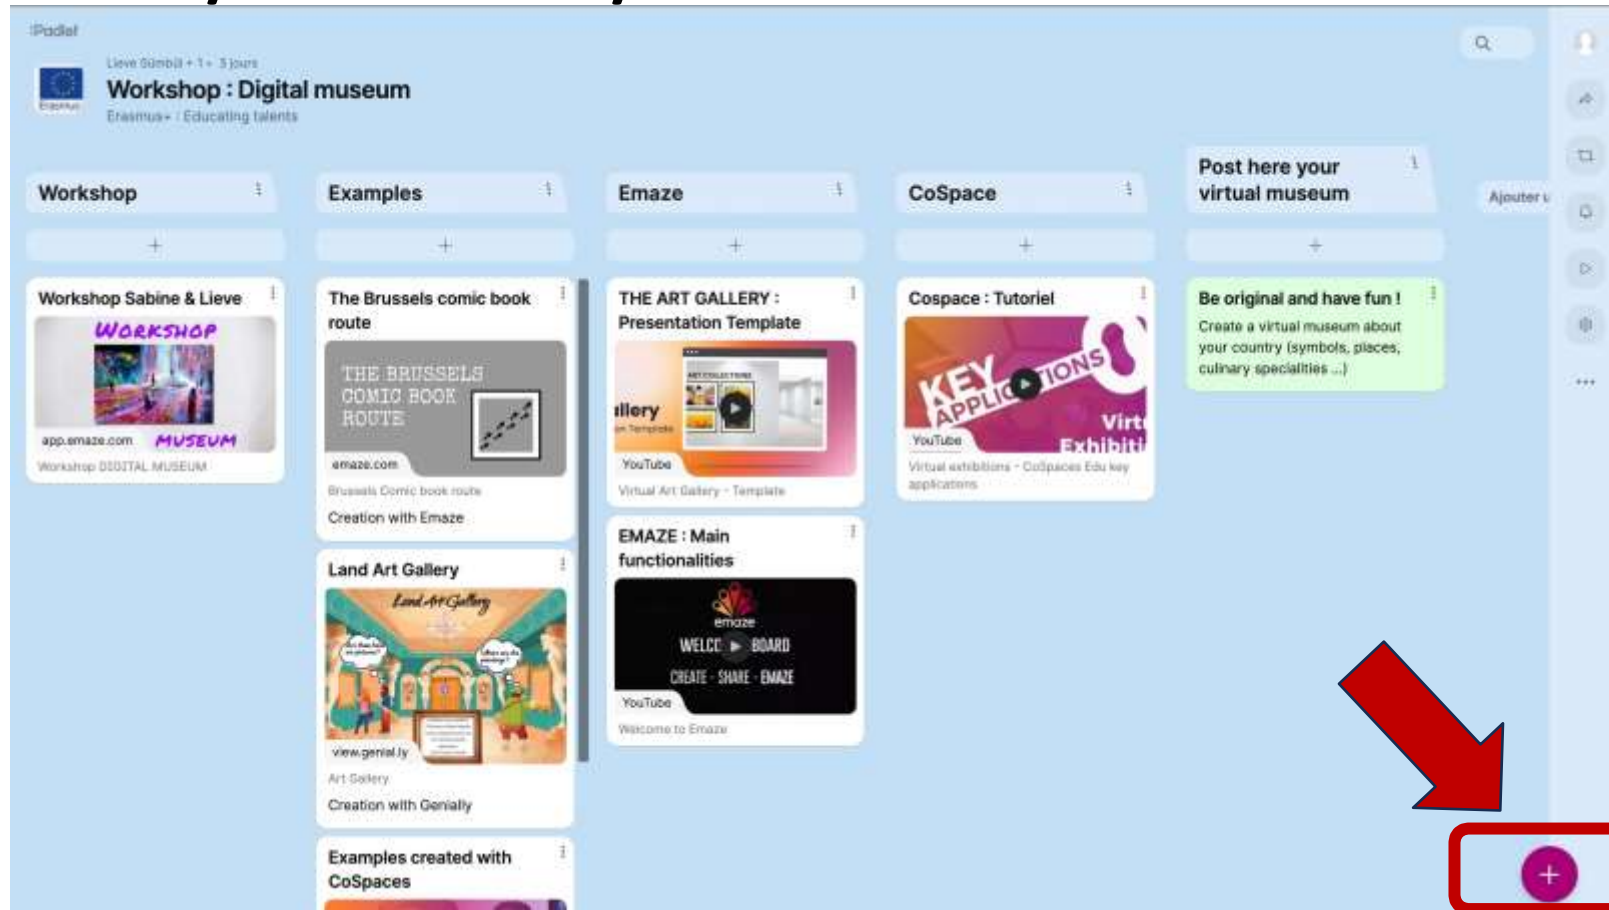

Second Screenshot (CONGRATULATIONS modal): The modal is titled "CONGRATULATIONS". It displays the message "Your website address is:" followed by the URL "emaze.me/essaiprofs". A red arrow points to the "COPY" button on the right side of the URL field.

Below the URL, there is a section titled "Share it with the world" with social media sharing icons for Facebook, Twitter, LinkedIn, and Pinterest.

6. Paste your URL and write the name of your exhibition and the artists

The screenshot shows the Emaze interface for creating a virtual exhibition. It features a grid of colorful hexagons. A red arrow points to the 'Objet' field, which is labeled 'Name of your exhibition'. Another red arrow points to the 'Publier' button in the top right corner. A third red arrow points to the 'Artists (+ Land)' field, which is labeled 'Écrivez quelque chose d'incroyable...'. A red box highlights a red icon with a double arrow, likely representing a link or URL. At the bottom, there are buttons for 'Exemples' and 'Blanc'.
